This Newsletter is produced by the AQUA Residential Body Corporate Committee (Contact us at bc@aquagoldcoast.com)

BIKES IN STORAGE

We recently conducted an audit of all the bikes we have in our limited storage areas. Those owners/residents who responded with numbers etc have been given an identification tag to apply to their bike(s) to complete our audit.

This is to advise, there are a number of bikes without tags at this moment. We have made it clear that storage space is very, very limited and so any bikes not being used nor identified, will need to be removed.

Following are pics of bikes without tags. If this is yours then please either apply the tag within the next 7 days or they will be removed. The cut-off date will be Wednesday 15 May.

Please contact Manager Alan : 0480 234 854

Graham Gordon, Secretary
